Rehearsing and recording the songs for the music activity.

Our pupils rehearsed two songs:

First song:

'Somebody That I Used To Know' from Belgian artist (who lives in Australia) Gotye

Now and then I think of when we were together
 Like when you said you felt so happy you could die
 Told myself that you were right for me
 But felt so lonely in your company
 But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness
 Like resignation to the end
 Always the end
 So when we found that we could not make sense
 Well you said that we would still be friends
 But I'll admit that I was glad that it was over

But you didn't have to cut me off
 Make out like it never happened
 And that we were nothing
 And I don't even need your love
 But you treat me like a stranger
 And that feels so rough
 No, you didn't have to stoop so low

Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done
And I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you used to know...

But you didn't have to cut me off

Make out like it never happened
And that we were nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

Somebody...

I used to know
That I used to know

Somebody...

Now you're just somebody that I used to know

Second song: 'Wish You Were Here' from American singer Avril Lavigne

I can be tough,
I can be strong,
But with you, it's not like that at all,
There's a girl that gives a shit,
behind this wall, you just walk through it

and i remember all those crazy things you said

you left them running through my head
you're always there
you're everywhere
but right now i wish you were here
