Description of the activity:					

Our school choir and schoolband performed the 2 songs our pupils prepared for the 'Sounds of...' activity during Schoolfest12.

The pupils of classes 2a2 and 2a3 (modern sciences) organised a school festival in May. It is the outcome of 4 months of hard work during science classes and economy classes.

First, the pupils learn about the safety and dangers of noise and music. Later they learn about the economic side of organising a rock festival.

During Schoolfest12 there was an opportunity for the school band and choir to perform the songs we used for the common activity 'Sounds of...'
