Description of the activity:			

New bins for sorting waste!

Our school has invested in new waste bins for all the classrooms.

As our project tries to encourage our pupils to sort their waste we have decided to buy bins for 3 or 4 different waste fractions. Paper, glass, PET and other plastics and Tetra Pack Boxes and rest waste.

Class 2a1 put the kits together and every bin got a pictogram so there will be no mistakes made by our pupils.

(translation: let's do it in the bin!)
