<b>Description of the activity: European Heritage Days 2011</b>				

## European Heritage Days 2011

The Milestones is the theme of 2011 edition of the European Heritage Days in Poland. To participate in this largest cultural event in Europe Czartoryski secondary school has organized a debate on “Czartoryski Secondary School’s influence on the history of Pulawy and the region”. The debate accompanied with a touching students’ artistic performance was held in our school on September 16. Local historians, headmasters, alumni, and our students took part in the meeting. The event offered a unique opportunity to recall and reflect on the process of education in the hard times of the past. It also gave a chance to learn how our school contributed to the patriotic upbringing and integrating the society. Memories were brought back, moving stories were told and tears welled up in our eyes. An unforgettable experience.
