### Our visit in Belgium

Last Wednesday (18th January) our students, who took part in the last Comenius exchange in Belgium, prepared a special presentation for the school community. First, there was a short lecture on the idea of Comenius Project.

After that, our students showed a lot of photos taken during their stay in Brussels, Oostkamp and Bruge. The pupils shared their views and vivid memories with their peers and showed differences and similarities between two countries: Belgium and Poland.

It was so nice to go back in our memories to the time spent with our hospitable Belgian friends and their families.

The meeting finished with a snack - delicious waffles with whipped cream.
