Description of the activity:					

United by Music

On 25th January Czartoryski middle school students gave a concert dedicated to all people involved in the Comenius Project. They performed two songs which are considered very influential in the history of pop and rock music. The first song was ABBA's *Mamma Mia!* ABBA was a Swedish pop/dance group active from 1972–1982 and was one of the most internationally popular pop groups of all time, topping the charts again and again in Europe, North America and Australia. On a more romantic note, they performed a Polish ballad "A Lullaby for the stranger" from the repertoire of Perfect. Perfect is a Polish rock music band founded in 1977. They are one of the all time most popular rock bands from in Poland. The event was a great opportunity to strengthen the international friendship and cooperation and to mark the end of the winter term.

We all love such happenings as the atmosphere is so wonderful and the students are eager to show what they have learned.

Here are some images from the concert.
